

SANDRA ZEMOR

" I am seduced as I was two years ago by the talent of this artist .The drawings, strict, vigorous, clear, have a "matissiene " purity that I do love : their stroke aims straight to the essential .

The little square paintings with both delicate and strong matter have strength also. I do know that it is difficult to present big works in that gallery, the smallest of Paris...."

La Petite Galerie, 35-37 rue de seine, Paris till the 17th may. La Gazette de l'Hotel Drouot n°19 -9.5 .1997.
